<b>Other Key Terms and questions</b>	See Terms of Service statement for a full listing of fees, deposit policy and other items. See Hulu insert in Welcome Kit for complete promotion details.	
Type of Product	Fixed Price Product	
Contract Term	Fixed for 12 months	
Do I have a termination fee or any fees associated with terminating service?	Yes. \$ 200	
Can my price change during the contract period?	Yes. The price applied in the first billing cycle may be different from the price in this EFL if there are changes in TDSP charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control.	
What other fees may be charged?	Please see the Terms of Service for a full listing of non-recurring fees.	
Is this a prepay or pay in advance product?	No	
Does Clearview Electric purchase excess distributed renewable generation?	No	
Renewable content	This is a 100% renewable energy product that supports wind-powered electricity production in the United States. The Clear & Easy Green product is 100% supported by renewable certificates. With the purchase of this product you are buying the renewable attributes of the amount of wind energy generation equivalent to your electricity consumption.	
Statewide average for renewable content	10.70%
