Residential and Small Commercial Terms of Service

This document explains the terms and conditions that apply to your purchase of electricity from Clearview Electric Inc. dba Clearview Energy (Clearview, we, our). Your contract with Clearview includes the Terms of Service (TOS), your enrollment authorization in writing, by telephone or the internet, the Electricity Facts Label (EFL), and the “Your Rights as a Customer” (YRAC) disclosure document, as they may be amended from time to time. As your Retail Electric Provider (REP), Clearview will arrange for the delivery of electricity from your Transmission & Distribution Service Provider (TDSP) to your service location pursuant to this Contract. By accepting electric service from Clearview, you are entering into a contract with Clearview and you will be bound by the Terms of Service.

Right of Rescission

If you are switching your electric service to Clearview, as opposed to starting service at a new location or “moving in”, you have the right to rescind your acceptance of this Terms of Service without fees or penalties of any kind, within three (3) federal business days after receiving this Terms of Service as provided by Public Utility Commission of Texas (PUC) Substantive Rule 25.474, which can be viewed at the following website: <http://www.puc.state.tx.us/agency/ruleslaws/subrules/electric/25.474/25.474.pdf>.

You may rescind either by phone at 1-800-746-4046 (toll free), fax at 1-972-546-9991, or email at customerservice@clearviewenergy.com Please provide your name, address, phone number, Electric Service Identifier (ESI ID), and a statement

that you are rescinding your Contract under the three-day Right of Rescission.

Eligibility/Antidiscrimination

Clearview cannot deny service or require a prepayment or deposits for service based on a customer or applicant's race, creed, color, national origin, ancestry, sex, marital status, lawful source of income, level of income, disability, familial status, location of a customer/applicant in an economically distressed geographic area, or qualification for low income or energy efficiency services. Clearview cannot use a credit score, a credit history, or utility payment data as the basis for determining the price of electric service for a residential product with a contract term of twelve (12) months or less.

Clearview reserves the right to deny service to any customer whose installation or equipment is known to be hazardous; if the customer or applicant fails to comply with the TDSP tariff pertaining to operation of nonstandard equipment or unauthorized attachments that interfere with the service of others; if the applicant applies for service at a location where another customer received, or continues to receive, service and the REP can reasonably demonstrate that the change of account holder and billing name is made to avoid or evade payment of a bill owed to the REP; if the applicant or customer owes a bona fide debt to Clearview for electric service; if the applicant or customer has acted as a guarantor for another applicant or customer and failed to pay the guaranteed amount; where such guarantee was made in writing and was a condition of service; or if the applicant or customer fails to comply with the Clearview credit and deposit requirements set forth in this TOS.

Small Commercial Customers

A "small commercial customer" is a non-residential customer that has a peak demand of less than 50 kilowatts during any twelve (12)-month period, unless the customer's load is part of an aggregation program whose peak demand is in excess of 50 kilowatts during the same twelve (12)-month period. The price for the electric service provided to all small-commercial meters under this Agreement is shown on the EFL. The price includes the price of energy supply based on service area, contract term, the contract price, and a monthly charge for each service location (per meter), if designated in the EFL. The price also includes estimated charges for transmission and distribution services provided by the TDSP. Clearview will pass-through, without markup, any charges imposed by the TDSP, the Public Utility Commission of Texas assessment tax, and any other charges imposed by Electric Reliability Council of Texas (ERCOT), the PUC, or other third parties on a non-recurring basis for services or additional equipment, or as provided by applicable law, rule or regulation.

Clearview may adjust the fixed price if Customer's meter was not designated as Small-commercial upon enrollment or, during the Term, the meter is no longer

designated as small-commercial. The price may vary from the amount shown on the EFL to reflect (i) changes in the TDSP charges, changes to ERCOT or Texas Regional Entity fees charged to loads, or (ii) changes resulting from federal, state or local laws that impose new or modified fees or costs on Clearview. The price will change if Clearview incurs intra-zonal congestion and Reliability Unit Commitment charges associated with the ERCOT Nodal Market.

Deposits

New customers or applicants may have to provide an initial deposit before receiving electricity service if you cannot demonstrate satisfactory credit according to Clearview's Credit Requirements for Service. For existing customers, an initial deposit may also be required to continue to receive electricity service if you have been late paying your bill more than once during the last twelve (12) months or your service has been disconnected for non-payment. You may be required to provide a deposit to continue to receive electricity service if (1) your average annual electric service bill for the last twelve (12) months is at least twice the amount of the original estimated annual bill, and (2) a notice for disconnection has been issued in the previous twelve (12) months. Renewing customers may be required to pay a deposit if they are currently late paying their bill or a disconnect notice has been issued in the last three (3) months. If we hold your cash deposit longer than thirty (30) days, your deposit will accrue interest from the day we received it at the interest rate established annually by the PUC. We will credit any accrued interest on your deposit to your account either on your January bill each year or on your final bill or with the refund of your deposit. This PUC rule can be viewed at: <http://www.puc.state.tx.us/agency/rulesnlaws/subrules.electric/25.478/25.478.pdf>

You may avoid paying a deposit and satisfy the Clearview Credit Requirements for Service if: (1) you submit a credit reference letter from your previous electric service provider confirming your positive payment record for twelve (12) consecutive months during the past two years, (2) you have a satisfactory credit rating through a consumer reporting agency, as defined by the Federal Trade Commission, (3) you are at least 65 years of age and you do not have a delinquent balance with your current electric service provider, (4) you have been a victim of family violence and can provide a certification letter by the Texas Council on Family Violence. Please contact us for additional information if you believe you may be eligible for one of these options.

If you establish satisfactory credit with Clearview by making timely payments for twelve (12) consecutive months, you are eligible to have your deposit plus accrued interest applied to your account at your request. If you do not establish satisfactory credit with Clearview during the time you receive service

from Clearview, then we will apply the deposit plus accrued interest against the outstanding balance on your final bill. We will bill you for any remaining balance and the bill will be due upon receipt. We will refund any credit balance to you. The total of all deposits, initial and additional shall not exceed an amount equivalent to the greater of: (i) one-fifth of the customer's estimated annual billing; or (ii) the sum of the estimated billing for the next two (2) months.

If you are LITE-UP qualified and are required to pay a deposit greater than \$50, you will be eligible to pay your deposit in two equal installments. You must provide evidence of enrollment in a TDHS program. The PUC rule can be viewed at: <http://www.puc.state.tx.us/agency/ruleslaws/subrules/electric/25.454/25.454.pdf>

Pricing and Fees

You agree to pay the price indicated in the EFL and all amounts shown on your bill. You agree to pay non-recurring fees charged by the TDSP that are necessary to implement and/or maintain electric service for you. Non-recurring fees by the TDSP may include service connection, disconnection or reconnection fees, meter test fees or special out-of-cycle meter read fees. Non-recurring fees will appear as line items on your bill.

You agree to pay all applicable Taxes (see Taxes section) and any fees charged by any governmental entity. The price, non-recurring fees and Taxes will be reflected on you monthly bill as Current Charges.

We will charge \$40.00 for each payment transaction that is returned unpaid or not processed including: (1) returned checks, (2) returned electronic fund transfers, and (3) rejected credit card transactions. This charge will be reflected as NSF Fee on your monthly bill, if applicable. We may also charge a service processing fee up to \$3.00 for any payment processed by a Customer Service Representative. We may also charge a service processing fee up to \$3.00 for processing of a one-time online bill payment.

Billing, Payment and Payment Arrangements

We will provide a monthly bill that will include Current Charges and the Amount Due that will be due and payable sixteen (16) days from the bill date, except you agree that we may issue a bill less frequently if we do not receive meter readings or usage information from the TDSP or ERCOT in time to prepare and send a monthly bill. We may also issue bills less frequently or send your bills electronically if you agree to accept alternate arrangements.

If you do not pay your bill by the due date, we may charge you a Late Payment

Penalty of 5% on the amount for the previous month's past-due electric service. The Late Payment Penalty will not apply to customers who are "LITE-UP qualified." If you are a customer who receives food stamps, Medicaid, Aid to Families with Dependent Children (AFDC) or Supplemental Security Income (SSI) from the Texas Department of Human Services (TDHS), then you are considered "LITE-UP qualified." You must provide evidence of enrollment in a TDHS program. Late Payment Penalties will not exceed the maximum amount permitted by Law. "Law" means any law, statute, regulation, rule, ERCOT protocol, exchange rule, decision, writ, order, decree or judgment, or any interpretations by any court, agency or instrumentality that has jurisdiction, including ERCOT. PUC rules and guidelines can be viewed at: <http://www.puc.state.tx.us/agency/ruleslaws/subrules/electric.Electric.aspx>

We reserve the right to adjust your bill. We may calculate a bill based on estimated meter readings absent actual meter readings from the TDSP or ERCOT. Once actual meter readings are received, we will issue a bill or make adjustments on a subsequent bill.

Please call Clearview if you anticipate having difficulty paying your bill by the due date. You may be eligible for payment assistance or a deferred payment plan. The Clearview assistance program is also available to provide payment assistance to qualified customers who have experienced an emergency or temporary hardship impacting their financial status. The program is funded in part by contributions from Clearview customers. You may contribute to this program on your bill each month.

If you fail to timely pay the amounts due and we refer your outstanding balance to an attorney or collection agent for collection, file a lawsuit, or collect your outstanding balance through probate, bankruptcy or other judicial proceedings, then you agree to pay reasonable fees. If Clearview uses a third party to collect past due balances, we will add a thirty percent (30%) collections surcharge to the balance due.

Payment Methods

- Phone – Contact Customer Service during business hours and pay your bill using Visa or MasterCard credit or debit card or you can pay using a one-time bank draft (ACH).
- Website – Visit our website and set up your personal account and view and pay your bill (one-time or recurring payment option) online using Visa or MasterCard credit or debit card.
- Payment Center – Contact Customer Service or visit our website at www.clearviewenergy.com to find the walk-in payment site close to you to pay your bill with cash or money order. You must have the Clearview bill with you to make a payment. Some payment sites may charge for your transaction.

Terminating Your Contract

If you are on a fixed rate agreement, your contract term is stated in the EFL. At the end of your contract term, you may terminate your contract by switching to a new provider. If you terminate the contract fifteen (15) days or more prior to the end of your contract term, you agree to pay the penalty or fee for early cancellation indicated in the EFL, if any, and you must select another REP to continue to receive electric service. If your termination requires an early meter read by your TDSP, you will be charged a fee established by your TDSP. You are responsible for all charges incurred through the date on which termination is effected by the TDSP.

If you move from your existing premise during the contract term and provide a forwarding address to Clearview, you will not be responsible for the early cancellation fee stated in the EFL. We may also request that you provide reasonable evidence that you no longer occupy the location covered by the contract. In order to ensure timely processing, you should notify Clearview at least three (3) days before the requested termination date.

Our obligations will end after the meter read date where we are no longer designated as your REP or when your electric service is disconnected by the TDSP. Your obligations under the contract will end when your account balance is paid in full.

Disconnection of Your Electric Service

WE MAY REQUEST DISCONNECTION OF YOUR ELECTRIC SERVICE IF YOU DO NOT PAY YOUR DEPOSIT OR THE PAST DUE AMOUNT OF YOUR ELECTRIC SERVICE BILL IN FULL BY THE DUE DATE ON THE DISCONNECT NOTICE. We will notify you in writing at least ten (10) days before we disconnect electric service. We may request disconnection of your electric service without prior notice immediately under specific situations, including the existence of a dangerous condition at your service address or theft of service.

Customer Care, Alternate Billing and Payment Options

If you have any questions, concerns, billing inquiries, or you are interested in applying for the following services we offer, please contact Clearview.

Balanced Billing: For customers interested, this option gives you the convenience of a stable bill amount so that you can plan your monthly budget. First, we review your usage history from the previous year for the same time period. We then apply your price to this usage. These expected bills will be averaged to establish your balanced bill amount.

Your monthly bills will show both your actual usage and actual bill amounts,

but you pay only the balanced bill amount. The cumulative difference between your balanced bill payments and your actual bill amount will be reflected each month.

Periodically, we will review your account to determine if this balanced bill amount is still appropriate. If this review determines that your actual bills were more than ten percent (10%) over or under your original average, we will adjust your future balanced bill amount to better reflect your current usage.

At the end of twelve (12) months, any difference between your payments and your actual bill amounts will be included in the calculation of your monthly balanced bill amount for the next year or it may be paid in full. If the contract is cancelled or terminated, the difference will be applied to your account. If your electric service is disconnected any credit or unpaid balance will appear on your final bill. The Balanced Billing option does not affect your obligation to pay for all actual usage.

If your participation in Balanced Billing is canceled or terminated for any reason or your electric service is disconnected, you will not be eligible to re-enroll on Balanced Billing.

Critical Care and Chronic Condition Residential Customer

If you have a person permanently residing in your premise who has been diagnosed by a physician as being dependent upon an electric-powered medical device to sustain life, you may apply for designation as a Critical Care Residential Customer. If you have a person permanently residing in your premise who has been diagnosed by a physician as having a serious medical condition that requires an electric-powered medical device or electric heating or cooling to prevent the impairment of a major life function through a significant deterioration or exacerbation of the condition, you may apply for designation as a Chronic Condition Residential Customer. To be considered for such designation, the PUC-approved form must be submitted by facsimile or other electronic means to the TDSP by a physician. The TDSP will notify you of the final status of your designation as a Critical Care or Chronic Condition Residential Customer, and will notify you when such designation will expire and whether you will receive a renewal notice. The TDSP will also notify Clearview about your status. The PUC rule can be viewed at: <http://www.puc.state.tx.us/agency/ruleslaws/subrules/electric/25.497/25.497.psf>. Designation as a Critical Care or Chronic Condition Residential Customer does not relieve you of your obligation to pay for electric service that you receive from Clearview.

Power Outages and Emergencies

Please call the telephone number to your TDSP listed on your bill if you have an electrical emergency or a power outage. The contact information is also included in Your Rights As A Customer Disclosure and on our website at www.clearviewenergy.com.

Dispute or Complaints

If you have any questions, concerns, or complaints, please contact Clearview. In the event we cannot immediately respond to your question or complaint, we will promptly investigate the matter and report our findings to you within twenty-one (21) days. In the case of a bill dispute you will not be required to pay the disputed portion of your bill during the investigation period. If you are not satisfied with the results of the investigation, you may request a supervisory review. At the supervisory review level, we will respond within ten (10) business days. If for any reason you are not satisfied with our response, you may contact the PUC. You may contact the PUC at: Public Utility Commission of Texas, Customer Protection Division, P.O. Box 13326, Austin, TX 78711-3326; telephone (888) 782-8477; email: customer@puc.state.tx.us. Your YRAC document contains more information on this process.

Limitations of Liability

YOU AGREE THAT CAUSES AND EVENTS BEYOND OUR CONTROL, INCLUDING ACTS OF GOD, ACTS OF ANY GOVERNMENTAL AUTHORITY, ACCIDENTS, STRIKES, LABOR TROUBLE, AND EVENTS OF FORCE MAJEURE OCCURRING WITH RESPECT TO THE TDSP, ERCOT, OR OTHER THIRD PARTY SYSTEMS OR ASSETS (A FORCE MAJEURE EVENT), MAY RESULT IN INTERRUPTION IN SERVICE AND THAT WE WILL NOT BE LIABLE FOR THOSE INTERRUPTIONS. YOU ALSO AGREE THAT WE ARE NOT RESPONSIBLE FOR GENERATING YOUR ELECTRICITY OR FOR TRANSMITTING AND DISTRIBUTING ELECTRICITY TO YOUR SERVICE ADDRESS. FURTHERMORE, YOU AGREE THAT WE WILL NOT BE LIABLE WITH RESPECT TO ANY THIRD PARTY SERVICES; THAT OUR LIABILITY NOT EXCUSED BY REASON OF FORCE MAJEURE OR OTHERWISE WILL BE LIMITED TO DIRECT ACTUAL DAMAGES ONLY; AND WE ARE NOT LIABLE TO THE OTHER FOR CONSEQUENTIAL INCIDENTAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES. YOU WAIVE ALL OTHER REMEDIES AT LAW OR IN EQUITY. THESE LIMITATIONS APPLY EVEN IF THE DAMAGES RESULT FROM NEGLIGENCE, WHETHER SOLE, JOINT, CONCURRENT, OR ACTIVE OR PASSIVE. THERE ARE NO THIRD PARTY BENEFICIARIES TO THE CONTRACT.

Representations and Warranties

THE ELECTRICITY SOLD UNDER THIS CONTRACT WILL BE SUPPLIED FROM

A VARIETY OF GENERATING SOURCES. IF YOU ELECT TO PURCHASE A RENEWABLE ENERGY PRODUCT, WE WILL ENSURE THAT THE APPROPRIATE AMOUNT OF RENEWABLE ENERGY CREDITS (RECs) IS RETIRED TO AUTHENTICATE THE RENEWABLE ENERGY CONTAINED IN THE PRODUCT. THE TDSP OR ERCOT SYSTEM WILL NOT DELIVER ELECTRICITY FROM A SPECIFIC GENERATING SOURCE TO YOUR SERVICE ADDRESS. WE MAKE NO REPRESENTATIONS OR WARRANTIES OTHER THAN THOSE EXPRESSLY SET FORTH IN THE CONTRACT, AND WE EXPRESSLY DISCLAIM ALL OTHER WARRANTIES, WRITTEN OR ORAL, EXPRESS OR IMPLIED, INCLUDING MERCHANTABILITY, CONFORMITY OR MODELS OR SAMPLES AND FITNESS FOR A PARTICULAR PURPOSE.

Taxes

You will be responsible and indemnify Clearview for any and all Taxes. "Taxes" means all federal, state and local taxes, fees, governmental charges, and assessments presently or hereafter imposed on you as purchaser of electricity, on Clearview as seller of electricity, or on electricity sales transactions, including gross receipts taxes, municipal administrative fees, and generation, utility, TDSP, regulatory, BTU or electricity taxes and assessments.

Governing Law

Your contract with Clearview is governed by the laws of the State of Texas. The Texas Uniform Commercial Code applies to the Terms of Service and Electricity is deemed a "Good". The Uniform commercial Code can be viewed at the following website: <http://www.statutes.legis.state.tx.us/?link=BC>

Assignment

You may not assign your contract with Clearview, in whole or in part, or any of your rights or obligations under the contract without our prior written consent. Clearview may, without your consent (1) as part of any financing or other financial arrangement, assign, sell or pledge this agreement or its accounts, revenues, or proceeds, or (2) assign this agreement to an affiliate of Clearview or to any other person or entity succeeding to all or a substantial portion of the assets of Clearview.

Waiver

If Clearview waives any one or more defaults by you in the performance of any of the provisions of the contract, then such waiver will not be construed as a waiver of any other default or defaults whether of a like kind or of a different nature.

PRODUCT SPECIFIC TERMS

Clearview offers the following specific products or product types. Only the specific section for your product type will apply to your contract. Your EFL contains your specific product type and term information.

Fixed Rate Products

A retail electric product with a term of at least three (3) months for which the price (including recurring charges) for each billing period of the contract term is the same throughout the contract term, except that the price may vary from the disclosed amount solely to reflect actual changes in the TDSP charges, changes to the ERCOT or Texas Reliability Entity administrative fees charges to loads or changes resulting from federal, state or local laws that impose new or modified fees or costs on a REP that are beyond the REP's control.

Changes to Contract Provisions

We can make changes to the provisions of the contract at any time during the contract term with appropriate notice except for changes to your price other than stated in this section or the length of your contract term. We will notify you of any material change to the contract in writing at least fourteen (14) days before any change to the contract will be applied to your bill or take effect. If you do not cancel the contract before the effective date of the change, the change will become effective on the date stated in the notice. Notice is not required for a change that is beneficial to you.

Contract Expiration Notice

A contract expiration notice will be sent to you at least thirty (30) days but not more than sixty (60) days before the end of your initial contract term specified in your EFL. You have the right to terminate your contract without penalty if you terminate your contract within fourteen (14) days of its expiration date. If you do not take action to ensure that you continue to receive service upon the expiration of your contract you will continue to be served by us automatically under a default renewal product on a monthly basis after the end of your initial contract term, until you switch to another provider, select another Clearview electric service plan, or we terminate or disconnect your electric service. The default renewal product applies to customers whose contract term has expired and who have not selected a new fixed rate contract term. You will not experience any interruption in your electric service and will automatically continue under Clearview's month-to-month variable rate plan product. Your price will vary according to a method determined by Clearview as set forth in your EFL. A Customer's account that has transitioned to a default renewal product may contact Clearview to lock in a fixed rate contract term at any time;

there will be no termination fee associated with making this change. The fixed rate for any new plan will be based on the available market rate and terms at the time the Customer elects to change the plan. Clearview will provide you with the TOS and EFL of the product you selected. A new authorization and verification will be initiated by Clearview.

Early Termination

Customers will pay the early termination fee shown on the EFL to Clearview if customer cancels or terminates this Agreement prior to the end of the Term, unless such early termination fee is waived and modified in writing by Clearview. Customer will be responsible for amounts due, up to the switch date, of all outstanding charges incurred prior to cancellation by Customer. Any early termination fee may automatically be applied to Customer's credit card or bank account depending on the automatic payment arrangements made during enrollment or at any time by the customer.

Variable Rate Products (Month to Month)

A retail electric product with a term of thirty-one (31) days or less, for which the price may vary according to a method determined by Clearview as set forth in your EFL. For residential customers, a variable price product can be only a month-to-month contract, which will automatically renew monthly until you request cancellation of service or switch to a fixed price plan. There are no early termination fees or penalties assessed on a month-to-month contract and you may cancel your service under this contract at any time.

Changes to Contract Provisions

We can make changes to the provisions of the contract at any time with appropriate notice except for changes to the length of your contract term. We will notify you of any material change to the contract in writing at least fourteen (14) days before any change to the contract will be applied to your bill or take effect. If you do not cancel the contract before the effective date of the change, the change will become effective on the date stated in the notice. Notice is not required for a change that is beneficial to you. Your price will vary according to a method determined by Clearview as set forth in your EFL.

Clear Green Solar, and Solarview Saver Products

Subject to these terms and conditions for customers enrolled in the Clear Green Solar, or Solarview Saver Plans, Clearview agrees to purchase, and you agree to sell, any excess energy delivered by your eligible renewable energy system to the grid. Clearview will credit your account for the amount of up to 1,000 kWh of

excess energy delivered by your system to the grid on a per kWh basis. The value of any excess energy over a monthly billing cycle shall be carried over to the following billing period and appear as a credit on your account. The kWh of excess energy shall be determined solely by referenced to the out-flow information reported to Clearview by the TDSP for your enrolled premises.

To enroll in the Product you must (1) have an interconnection agreement in place with your TDSP to connect your renewable energy system to the power grid; (2) have a meter installed by your TDSP that separately measures the in-flow and out-flow of electricity to and from your home (your TDSP may assess a charge for this meter, which would be passed through to you on your Clearview bill).

The value of any excess energy delivered by your system to the grid, up to, and including, 1,000 kWh (and the corresponding credit amount to be applied on your next bill) will be determined by multiplying the kWh quantity of excess energy as reported by the TDSP, times the applicable per kWh buy-back credit amount. The kWh buy-back credit amount is equal to Clearview's fully loaded rate which includes our Energy Charge stated in your EFL, our monthly service charge and all TDSP monthly charges applied. Excluded from the buy-back credit will be applicable taxes and fees or other charges (including but not limited to late fees, special meter reading fees, and disconnection or connection service fees).

The buy-back credit program and these terms are subject to change and may be discontinued or modified at any time. We will provide participating customers at least 14 days advance written notice of any material change or discontinuation of the either Product program; except that (i) any changes to the price you pay for energy delivered by Clearview that are made pursuant to the Terms of Service for your electricity service under the Product will automatically result in a change in the per kWh value for excess energy to be credited by Clearview under the program without advance notice; and (ii) any changes to the program made by Clearview as a result of changes in Law or that are beneficial to you may be made without advance notice.

Eligible renewable energy systems are any technology that exclusively relies on any energy source that is naturally regenerated over a short time and derived directly from the sun, indirectly from the sun, or from moving water or other natural movements and mechanisms of the environment.
